29 AUG 2018 - VERY IMPORTANT INFO - ANGLICANS ABLAZE 2018

1. **Great news!** We are about to breach the 1500 registrations mark even as I write. For that we give thanks to God!!! There are now just a few more days left to register.
2. **The “Early Bird” deadline has been extended for the very last time to 15 September 2018! Registration and accommodation also closes on 15 September!!! Please tell others about the conference** and this extension via Wapp, Twitter, & Facebook etc. Please **like** our pages and hit **share** too.

3. PHILAKATHEMBA PROJECT:

Imagine a community in the beautiful Valley of a Thousand Hills where the majority of young children, of pre-primary and primary school age, have no toys to play with and no books from which their parents can read to them! Then the church stepped in and Philakathemba was born. The Project runs libraries from which parents can lend toys for their children to play with and books from which they can read. The AA Conference Committee has agreed to build a “**Mountain of Love**” and we are asking all our attendees, if you are able to, to bring a toy or two, or a book or two, to the conference please. The books could be in Zulu or English. These can be placed in the designated area in the foyer of the conference centre and it will be handed over by Bishop Dino and Archbishop Thabo at the Eucharist towards the end of the conference. Please, let’s all make a special effort to help these small darlings! Thank you very much!!!

4. **Security:** Those living in hired accommodation, do bring a lock or two along to secure your cupboards if you wish to lock valuables away.
5. **For queries** please call the AA 2018 office on 021 797 9997 or 021 763 1315 or 021 763 1300
6. **Please keep praying for the conference**

**Remember to invite your friends to AA 2018 - we have space for up to 3 000 guests!
All clergy are kindly requested to please make announcements from their pulpits.**
