

Early Bird deadline extended!

Due to many requests, the AA2018 Deadline for early bird registrations and payments have been **extended to 31 July 2018! Please tell others about the conference and this extension via Wapp, Twitter, & Facebook etc. Please like our pages and hit share too.**

Archbishop Ng Moon Hing, Anglican Bishop of West Malaysia, and Archbishop of the Province of South East Asia will be one of our keynote speakers. He leads the Anglican Communion's task team responsible for rolling out and resourcing the world-wide season of **Intentional Discipleship and Disciple-making. (Bsp Martin is on this team too.)** He will also be accompanied by a team of people who will go on mission locally after the conference.

Accommodation: Please ensure that you have booked your accommodation. Payment is due by **31 August 2018 latest please. (After that folk will have to arrange their own accommodation.)**

Transport: Make sure that you have indicated your transport needs and informed the office of your departure and arrival times *i.e. ... from and to the airport or bus station, to and from accommodation to the conference.* **NB:** Transport will **ONLY** be provided to and from **accommodation venues listed** on our registration forms at no additional cost.

Payments of registrations: **Please mark clearly the names of the persons registered** for the conference when making payments. We have received payments without clear indication of who it is for. Therefore bring you proof of payment slips along with you to the conference to avoid complications.

Some people are experiencing online payment challenges, which we are looking at. Please use alternative payment options *i.e.* paying via the following retail stores: Shoprite, Checkers, USave, OK, House and Home or by EFT. Remember to go to the payment options and select the retail store you wish to pay at, you can then print the slip with the bar code to present when making payment.

NB! If you are depositing cash into the conference account, it is a lot cheaper and easier to do the deposit at a Standard Bank ATM than paying in at the counter. Ask a clerk at reception to show you if you don't know how.

God bless you all,

Fr Trevor Pearce

For Liaison Bsp Tsietse Seleone and Martin Breytenbach.
