

Letter from Archbishop Thabo Makgoba to all Anglicans in the Province

20 July 2018

My dear People of God,

Warm greetings in Christ's name! I am writing to encourage you to attend the Anglicans Ablaze Conference, 3 to 6 October in Hillcrest, Durban. I am also asking that you encourage your fellow parishioners and friends to attend. I am joining my voice to the voices of Bishop Dino, Host Bishop, and Bishops Tsietsi and Martin, Liaison Bishops, who have already sent out video clips – see www.anglicansablaze.org

Some days ago at the General Convention of TEC which I attended, hosted by Presiding Bishop Curry (who preached at the recent royal wedding), I attended one of their Revival Sessions. I was deeply moved by what they were doing. I was encouraged by the fact that we have been doing these Revivals for a few years now with great encouragement to our members. We now have capacity for up to 3000 people. Let's fill every seat. I hope to see you there.

Your Brother in Christ,

Archbishop Thabo
