

Resolution to the Cathedral Vestry Meeting

11th March 2018

This Cathedral Vestry

Noting

1. The generally shared concerns in Makana around water, rubbish removal, sewerage, roads, general service delivery;
2. The vital importance of long-term financial sustainability of the municipality;
3. The three-month appointment of the acting Municipal Manager, Mr Ted Pillay;

Affirms

1. Our place as the Cathedral, together with all faith-based organisations, as part of civil society;

Warns

1. That without good governance, leaders of integrity, service delivery, and wise use of resources, our entire community will suffer;

States

1. Our support for all individuals and organisations within civil society that are seeking to improve effective work and service delivery of the Makana Municipality;
2. Our whole-hearted commitment to the well-being of our community and all who live here;
3. Our commitment to assisting the Municipality in specific areas of need through actively making available our expertise in those areas

Calls

1. All who work at the Municipality to do their best for our Community;
2. And encourages all Cathedral parishioners to participate fully in community activities and initiatives.
