Notice to all bishops, clergy and parishes:

Dear Brothers and Sisters

It is with great sadness that we have been informed of the passing away of Michael (Mike) Kunz on Saturday 6 April 2019 at 18:30 at Vincent Pallotti Hospital.

Michael worked in Growing the Church's Media Department. He developed websites for many dioceses, parishes and organisations in our Province, among other things. But he is probably best known for developing "MyAnglican" – an on-line church management system which many now use across various denominations, and known to them as "MyChurch". In recent months the Media Department became an independent entity.

His funeral Service will take place on Friday 12 April 2019 at Christ Church Kenilworth at 14h00.

We give thanks to God for the many ways in which Mike served. He became especially well known at Anglicans Ablaze where he wielded his photographic and videographic gifts. He will be sorely missed. Please keep his wife Tilly, and children, Shar-ron and Christopher in your prayers during this time of bereavement.

Leadership of the Media Department was gradually handed over to Craig Mc Calgan, a Developer as Mike was. Mike trained him in the last few months to understand MyAnglican, a unique system, fully. He is assisted by Rae Dove and Nathan Jones. You can call them on 021 763 1300 / 1309 if you have any needs to be attended to.

The Lord be with you,

Fr. Trevor Pearce.

The Revd Trevor Pearce
