Notes:

We welcome COTT students Jonathan Bukutu, Thami Laka and Pearl Nzuzza, who will be participating with the Cathedral LMs over the period 12 May to 23 June.

5 May 7.30: The roster had already been completed when I learnt that Luvuyo is due to preach at this service. Would another LM be able to take the LM 2 slot for him?

If you are unable to do a duty, please organise an exchange of duties. It's easiest to put a notice onto the LM WhatsApp group. Best to do this ASAP, as a last minute hiatus can cause panic.

As with the previous roster, there is some unevenness in the distribution of duties, mainly because there are significantly fewer LMs available for the 7.30 services, but of course there are as many 7.30 as 9.30 services. In practice this has meant that those LMs who have generously made themselves available for both the 7.30 and 9.30 services, have ended up being rostered only for the 7.30 services.

As far as possible, I have tried to alternate the LM 1 and 2 slots for each individual, especially for those who have recently become involved and would like to gain more experience. This has meant a bit of juggling, which – given a number of constraints – has been partly rather than completely successful.

Once again, many thanks to you all for your much valued involvement in this important area of our life as the Cathedral family.

John
