My dear Cathedral family

RE: SERVICES AT THE CATHEDRAL

Greetings in the name of our Lord and Saviour Jesus Christ. Amen!

I hope that you are well and keeping safe under the circumstances that we live in.

Following the pronouncement by the President Cyril Ramaphosa on Sunday the 11th July 2021 that the country is still on covid-19 level 4 restriction prohibiting most gatherings including church activities. This means that we will not have our in-person services at the Cathedral for the next two weeks, until Sunday the 25th July 2021 where we hope that the President will address the nation again. We will continue to have our online live stream services in our Cathedral facebook page on Sundays the 18th July and 25th July 2021. I encourage you my brothers and sisters to join us for these acts of worship as we gather together, because I want to believe that even though we are restricted to go physically to the Cathedral not all is in vain because the church is not the walls and the beautiful aesthetics of our Cathedral but, we are the church as 'the people of God'.

Let us continue to pray for one another and our beloved country South Africa which finds itself in turmoil as a result of the unrest and violence caused by our brothers and sisters who seem not to care about the consequences of their actions. Let us pray for peace, for calm and for God's truth, love and justice to prevail.

On a more lighter note; painting at the Deanery is completed and now it's just being cleaned and we will move in by Friday the 23rd of July 2021.

Let us continue to uphold the Covid 19 Pandemic protocols my brothers and Sisters ; staying at home as much we can to keep safe; to keep social distance if it so happens for us to be out doors and with our masks on at all times.

Kind reagrds
