

Dean's Letter, 24 October 2021

My Dear Cathedral Family

Dedication, Pledging, and Financial Support for God's Work!

The month of October here in the Cathedral is our Dedication month, a time in which we thank God for our lives and the lives of those who are closely linked with ours and also a time in which we rededicate ourselves anew for the mission of God to continue in our community in terms of stewardship and giving. Our church like other institutions is built and sustained by faithful giving and generous support from its members and supporters. The Cathedral depends very heavily on our financial support and our faithful pledgers and givers.

As Dean and the Cathedral Exec, we would like to sincerely give thanks to all who pledge and give and whom by your giving enable God's work and the life of the church to continue in this place. We urge all Cathedral worshipers to pledge and support the fundraising drives and commit to giving to the life of the church on a regular basis, either weekly or monthly. The bulk of the Cathedral giving comes largely from a rather small group of people, many of them our senior members. We encourage all our younger members and new comers to make this sacrificial giving part of their lives in their financial planning.

My love to you all
