The Resources of the World: Creator God, we pray for the health of the earth, giving thanks for the good rains of the last month. Help us to care for the beauty of your creation.

All Nations: O Lord, whose peace passes all human understanding, we pray that you will bring an end to the war between Ukraine and Russia and relief to all places where there is strife. And as the Soccer World Cup begins, we give thanks for the astonishing achievements that can be inspired by talent and a healthy competitive spirit, and for the power that sport has to unite people.

Our Country: Almighty God, whose power surpasses that of any human being, bless our country and its leaders, especially the president and the national government, and provincial premiers and governments. May those in positions of leadership be responsible, efficient and honest.

Our Community: O Lord, who showed us in your earthly life that to lead is to serve, bless all those who serve local communities, both elected leaders and those who help fellow citizens of their own free will. We give thanks for the initiatives taken by some young people to make our city cleaner. At this time of end-of-year examinations we pray for learners and teachers and for the integrity of the examination process.
