

# A note from the Dean

## Easter Day, 9 April 2023

Friends

Easter season is a time of thanksgiving for our deliverance, through the Cross and Resurrection, from the power of evil, disaster and death. We acclaim, "Christ has died; Christ is risen; Christ will come again. We give thanks for Christ's glorious resurrection from the dead. By his death Christ has destroyed death and by his rising again he has restored to us eternal life".

Such powerful words in the face of so many challenges we face as the world, and the country and the circumstances we live in at the present moment!

Being as it may we are Easter people: Our faith and trust is in the Resurrected Lord Jesus Christ and nothing can separate us from His love.

Let's hold on in courage and hope as we journey into new life.

Myself, Lilitha and the children would like to wish you a happy Easter with your loved ones as you gather around your tables and break bread together. Safe journeys for those who will be travelling.
