BACK TO SCHOOL UNIFORM APPEAL

It's that time of the year again that we have our Big School Uniform Appeal. Each year we highlight and ask you to support and donate towards this appeal. Many families are struggling to purchase school uniforms for their children. With the cost of living increasing, this becomes an extra burden on families especially this time of the year. Having a school uniform, it gives children an opportunity to feel confident when they attend school.

If you would like to donate or adopt to help a child with a uniform or stationery, we would really appreciate your support. Here are some of the needs - jersey, shirt, trouser, skirt, socks, shoes, stationery. Cost of uniform and stationery is **R900.00**. Any amount that could assist a child would be of Great help.

Thembi stays with his grandmother and was abandoned by his parents. Granny struggles to feed and clothe him. The stationery pack handed to him last year was of great help as there was no extra money at home for his supplies.

Lihle is 8 years old, and her mother is sickly. She must take care of her siblings and herself. Neighbours sometimes provide old uniform and she has no school shoes.

Group of boys with broken or no school shoes.

There is always a lack of stationery in classes as it is very expensive to buy.
